## CODE FORMAT

Lot Code Explanation: Example

The lot number is defined using the Albanese internal identification barcode. In this example, the lot number is 201006117. The <u>Mtg</u> Date and the last 4 digits of the Albanese internal identification barcode are the Julian manufactured date.

If calling in to report an issue with product, we will need the Lot number listed under the bar code, in this example, it would be <u>201006117</u>.
